The Mystery of the Missing Star

Confident Creators ages 9–11

Mia was helping her family decorate the Christmas tree.

She had put the shiny star on the table, ready for the very top. But when she turned around, the star was missing!

She looked under the sofa, behind the gift boxes and beside the door.

Then she heard her little brother giggling.

He had carried the star to Dad, because he wanted to help. Dad was holding it safely, ready to lift Mia up.

Mia laughed. Dad lifted her high, and she placed the star on the tree.

That evening, the whole family sat together and admired the tree.

1. What was Mia helping her family do?

2. Where had she put the star?

3. What happened when she turned around?

4. Where did she look for the star?

5. Who had taken the star?

6. Why did he take it?

Think and answer

What would you do if you lost something important?

Crack the Christmas Word Code!
