The Mystery of the Missing Diya

Confident Creators ages 9–11

Maya was helping her family prepare their home for a festival.

She had placed a little diya near the colourful rangoli. But when she returned, the diya was missing!

She looked near the flowers, behind the gift boxes and beside the doorway.

Then she heard her little brother laughing.

The diya had been moved to a safe place by an adult while the family prepared the decorations.

Maya smiled. She helped arrange the remaining decorations and joined her family.

That evening, they enjoyed a beautiful celebration together.

1. What was Maya helping her family prepare?

2. Where had she placed the diya?

3. What happened when she returned?

4. Where did she look for the diya?

5. Who had moved the diya?

6. Why was the diya moved?

Think and answer

What would you do if you lost something important?
